

## **ATTENTION RIDERS**

**Lobby areas of GVT Transfer Facilities will be available ONLY for ticket/pass purchases and restroom use**

In response to COVID-19, Grand Valley Transit is working diligently to reduce community spread of the Coronavirus, and we ask that riders DO NOT wait for the bus in the lobby areas at this time. Please limit lobby use to the purchase of bus passes and to use the restrooms.

### **Help to reduce the spread of COVID-19**

- . Cover all coughs & sneezes
- . Wash hands often
- . If you have flu-like symptoms including fever, shortness of breath, or cough, stay home except to get medical care (call Doctor's office first and take private vehicle to appointment)
- . ***Riders are encouraged to use GVT for essential trips only.*** If you are feeling sick and need to use the bus, please wear a facemask to keep other riders safe.

We appreciate your understanding and cooperation during these circumstances, GVT staff.
