- All sponsorships are sold on a first-come-first-served basis.
- Sponsors of sit-down meal functions are invited to sit at the head table.

Annual Senior Scholar Tutor Recognition Luncheon

Platinum Sponsorship

Sole Sponsor = \$600

The Senior Scholar Project helps school children learn by connecting seniors wishing to help, with students needing the help. Volunteers work in Mesa County public and private schools providing one-to-one academic assistance and special presentations. Teachers have an extra, caring adult in the classroom, students get one-on-one attention and the Senior Scholar feels the satisfaction of making a big difference in a child's life and future.

Senior Health Insurance Assistance Project (SHIP)

RSVP began this project in January 2008. It trains volunteer SHIP navigators (counselors) ages 55+ to help people navigate the muddy waters of Medicare. All SHIP navigators receive a minimum of 24 hours of training to be certified and ongoing training is provided. Navigators provide free Medicare assistance to clients. We offer counseling sessions in person at the RSVP offices, on the phone, at a client's home or at a special event. SHIP provides assistance to consumers in making informed insurance choices and we do not recommend or endorse any product.
